

ROCCO ZIFARELLI
"THE JAZZ-ROCK PROJECT"
with FRANCIS LASSUS & ROMAIN LABAYE

Rocco Zifarelli: guitars, loops programming

Romain Labaye: electric bass, keyboards

Francis Lassus: drums, vocal

 Con questo progetto i 3 musicisti vogliono rendere un tributo al JAZZ-ROCK, una delle più importanti contaminazioni della musica contemporanea, l'unione di due (e più) culture apparentemente così distanti tra loro in termini timbrici, armonici, melodici e ritmici, eppure magistralmente combinate da grandi geni e innovatori come Miles Davis, Joe Zawinul, Wayne Shorter, John McLaughlin, Jaco Pastorius, Stanley Clarke, Chick Corea e tanti altri. L'energia del Rock con l'improvvisazione e l'evoluzione armonica del Jazz, non è solo questo concetto ad unire i 3 musicisti, c'è anche una grande stima ed amicizia nata nel periodo quando Rocco ha vissuto a Parigi e maturata negli anni, suonando insieme in giro per festival in Francia Italia ed Africa. Ognuno dei tre musicisti ha grandi esperienze internazionali: Rocco gira il mondo da più di 20 anni col premio oscar Ennio Morricone e col gruppo americano dei Defunkt, Francis è stato batterista di prima scelta di grandissimi artisti francesi come Nguyen Le e Ray Lema, nonché spicca la sua collaborazione proprio con Joe Zawinul, mentre Romain tra le tantissime collaborazioni, dal 2016 è il bassista ufficiale del grande chitarrista Scott Henderson, sia per i concerti in tutto il mondo che a livello discografico.

Each of the three musicians has great international experiences: Rocco has been touring the world for more than 20 years with the Oscar award Ennio Morricone and with the American group of Defunkt, Francis was the first choice drummer of great French artists like Nguyen Le and Ray Lema, as well as stands out his own collaboration with Joe Zawinul, while Romain among the many collaborations, from 2016 is the official bassist of the great guitarist Scott Henderson, both for concerts all over the world and at record level.

A photograph of three men standing in what appears to be a ship's engine room or a similar industrial setting. They are leaning against a large, dark metal control panel covered in numerous circular gauges and valves. The man on the left is wearing a light-colored jacket over a black t-shirt and blue jeans. The man in the center has long, dark hair and is wearing a purple shirt, a white and yellow striped scarf, and blue jeans. The man on the right is wearing a dark blue jacket over a black t-shirt and blue jeans. All three men are smiling at the camera.
